This is United States Ski Pole Company (USSPC)

U.S. Ski Pole Co. is an American, Veteran-Owned manufacturing company located in Cheboygan, Michigan. The company incorporated in 2012 for the purpose of producing higher quality carbon fiber ski poles and components in accordance with the Restoring and Re-shoring American Jobs Act. From 2014 to 2017 the company primarily made ski poles. Starting in 2018, USSPC is focusing on manufacturing tubes of carbon fiber, carbon-fiberglass blends, and fiberglass for industrial purposes. Tubes manufactured by USSPC can be directly applied into industries such as: Aerospace, Automotive, Naval, Athletic, and Recreational Sporting Goods.

Our People Are Experienced

U.S. Ski Pole Co. has an experienced staff ready to work for you. Senior Management has a combined experience of over 100 years in manufacturing. We enjoy working with new and established customers, as well as making new, efficient products to meet their specific needs. Every order is equally important to all our workers and sufficient inventory of current products are always kept in stock. The direct spiderweb effect of each product produced increases a minimum of 120 U.S. jobs.

Our Relationships Are Strong

U.S. Ski Pole Co. has been awarded several Military and Government contracts. USSPC also has recognized customers in nearly every U.S. State and Canadian province. USSPC distributes all products directly from the Northern Lower Michigan manufacturing facility, which allows clear and efficient shipping methods without third party interference. U.S. Ski Pole Co. is also a supplier to Prime and Sub Contractors for Government projects.
